

Aircraft Display

Warbirds Over Wanaka organisers work hard to bring new and exciting acts from around New Zealand and overseas to every Airshow. While the final aircraft line up is never known until much nearer the event itself, you can rest assured that we will have a world-class line up of classic Warbird aircraft. These will join the biggest line up of modern military aircraft at any civilian airshow in New Zealand.

See www.warbirdsoverwanaka.com for more information.
